

Q. Dyn. & Spectroscopy Workshop, March 2-7, 2025

list of participants

| | | | |
|---------------------|------------------------|--|----|
| Abramavicius | Darius | Vilnius University | LT |
| Amarotti | Edoardo | Lund University | SE |
| Anna | Jessica | University of Pittsburgh | US |
| Arora | Chirag | Boston University | US |
| Bäuerle | Dominik | Institute of Chemical Research of Catalonia | ES |
| Boyer | Alexie | CNRS - Université de Strasbourg | FR |
| Bressan | Giovanni | UEA | GB |
| Brixner | Tobias | Universität Würzburg | DE |
| Bruschi | Matteo | Faculty of Mathematics and Physics, Charles University | CZ |
| Bubilaitis | Vytautas | Institute of Chemical Physics, Physics Faculty, Vilnius University | LT |
| Chmeliov | Jevgenij | Center for Physical Sciences and Technology | LT |
| Erić | Vesna | Max Planck Institute for Polymer Research | DE |
| Gray | Natalia | University of East Anglia | GB |
| Grisanti | Luca | Consiglio Nazionale delle Ricerche (CNR) | IT |
| Haacke | Stefan | University Strasbourg - CNRS | FR |
| Herasymenko | Krystyna | CNRS - Université de Strasbourg | FR |
| Hildner | Richard | University of Groningen | NL |
| Hofer | Michael | JKU Linz | AT |
| Isborn | Christine | University of California Merced | US |
| Jonas | David | University of Colorado Boulder | US |
| Joo | Taiha | Pohang University of Science and Technology | KR |
| Ju | Jeyun | Korea Advanced Institute of Science and Technology | KR |
| Keefner | Daniel | Max Planck Institute for Polymer Research, Mainz | DE |
| Keil | Erika | Technical University of Munich | DE |
| Kessing | R. Kevin | Ulm University | DE |
| Knorr Jensen | Benedikte | Technical University of Denmark | DK |
| Krich | Jacob | University of Ottawa | CA |
| Kumar | Rhea | Politecnico di Milano | IT |
| Le Dé | Brieuc | Sorbonne Université | FR |
| Léonard | Jérémie | CNRS - Université de Strasbourg | FR |
| Lorenzoni | Nicola | institute of theoretical physics, Uni Ulm | DE |
| Maiuri | Margherita | Politecnico di Milano | IT |
| Maly | Pavel | Charles University, Prague | CZ |
| Mančal | Tomáš | Charles University, Prague | CZ |
| McCamant | David | University of Rochester, New York, U.S.A. | US |
| Medranda | Daniel | Imperial College | GB |
| Meric | Thomas | CNRS - Université de Strasbourg | FR |
| Michelini | Fabienne | University of Aix-Marseille | FR |
| Møller | Klaus Braagaard | Technical University of Denmark | DK |
| Oppermann | Malte | University of Basel | CH |
| Ortmann | Frank | Technical University of Munich | DE |
| Perrett | Samuel | Imperial college london | GB |

| | | | |
|----------------------|------------------|--|----|
| Picconi | David | Heinrich-Heine University of Düsseldorf | DE |
| Prlj | Antonio | Rudjer Boskovic Institute | HR |
| Pullerits | Tõnu | Lund University | SE |
| Ramesh | Sankaran | Division of Chemical Physics, Lund University | SE |
| Ramos Sánchez | Pablo | Goethe-Universität | DE |
| Rankelyte | Gabriele | Center for Physical Sciences and Technology | LT |
| Renger | Thomas | Johannes Kepler University Linz | AT |
| Reppert | Michael | Purdue University | US |
| Rhee | Young Min | KAIST | KR |
| Riedl | Michael | Theoretical Biophysics | AT |
| Rincon Celis | Simon Ali | CNRS - Université de Strasbourg | FR |
| Robert | Bruno | CEA | FR |
| Rousseau | Adrien | MIT, USA | US |
| Runeson | Johan | University of Freiburg | DE |
| Sanda | Frantisek | Charles University, Prague | CZ |
| Saraceno | Piermarco | University of Pisa | IT |
| Schenker | Maurice | Lund University | SE |
| Seibt | Joachim | JKU Linz, Institut für theoretische Physik | AT |
| Shipp | James | University of Pittsburgh | US |
| Slama | Vladislav | EPFL - École Polytechnique Fédérale de Lausanne | CH |
| Takahashi | Hideaki | University of Torino | IT |
| Thyrhaug | Erling | Technical University of Munich | DE |
| Vacher | Morgane | CNRS DR17 | FR |
| Valkunas | Leonas | Center for Physical Sciences and Technology, Vilnius | LT |
| Weinstein | Julia | University of Sheffield | GB |
| Young | Linda | The University of Chicago | US |
| Zigmantas | Donatas | Lund University, Sweden | SE |
